

X. International Conference on Transport Sciences Győr 2020

Call for papers

We are waiting for papers in the field of transportation research, development, organization and operation.

Conference date: 26-27 March 2020

Organizers: University of Győr, Department of Transport
Hungarian Scientific Association for Transport

Official language of the conference: Hungarian and English (independent sections)

Publications: Papers will be published in electronic format. Abstract brochure will be printed. Both publication has their own ISBN number.

Applicants can choose between poster and oral presentation in any of the official languages and they can decide whether they want to publish a paper. Publication without oral or poster presentation is not possible!

The Scientific Committee decide about the limited free participations based on the application abstracts. Further presentations are possible paying a discount price.

Terms of participation for authors:

- For one author participation on the day of his/her presentation is free only in case of presentations recommended by the Scientific Committee. (section assignment is made by the Organizing Committee, preliminary program will be published till 15 February)

- In case of poster presentation one author can participate for free one day of his choice. Posters have to be sent till the start of the conference.

- Registration (free registration as well) contains the followings: publication, conference packet, participation on presentations and programs and catering. (travel and accomodation is NOT included, it is personal responsibility!)

- Registrations must be made on ktnet.hu (for visitors, co-authors, authors with discount. Free authors should made registration on ktnet.hu only if they also want to participate on the other day of the conference!) If you need help for registration please contact the Organizing Committee.
